*Note: For 2" Super Duty Double, with addition of two Add-Ons (sold separately), this rack can hold a maximum of four bikes when all bikes are 50 lb. or less. If any bike weighs 51 lb.-75 lb., only one Add-On may be used. 2" Super Duty Double Rack is rated to hold up to 75 lb. per bike spot.

**All models use the same Add-On except Equip-D models.
